*Instructions for initiation (Diksha) from Revered  
Srimat Swami Divyanandji Maharaj.*

---

- First of all, the aspirants should thoroughly read the books selected for initiation.
  
- After the books are well-read, you must contact the office of Udyanbati. We will then ask some simple questions from those specific books, and if one can answer them correctly, we will enroll his/her name for initiation.
  
- Once the name is registered, we will ask you to come to Udyanbati to fill out the initiation form in your serial order. Then we will inform you about the initiation day and what to do on that day.
